## Workshop

# ARTIFICIAL INTELLIGENCE IN SCHOOLS: FROM UNDERSTANDING TO ACTION

Join educators and school leaders, including partner schools from Belgium, Spain, and Greece, to explore the role of AI in secondary education. The session will also present the policy guidelines and templates developed to support school professionals in using AI responsibly. Discuss challenges, share experiences, and co-create practical policy guidelines. Participants can choose one of two available dates.

### DATES

- **22 APRIL, 2026**
- **6 MAY, 2026**

### TIME

**16.00 - 17.30 CET**
